## Introduction

This document includes grade-level charts providing an at-a-glance view of when each standard is addressed as a focus of instruction and assessment. In grades K–5, clusters designated as Major Emphases by Student Achievement Partners (SAP) as well as the Partnership for Assessment of Readiness for College and Careers (PARCC) are followed by an asterisk (\*). For grades K–5, standards requiring fluency are followed by the symbol (*f*).

Please refer to the Curriculum Overview of *A Story of Units* for a curriculum map and detailed grade-level descriptions including a summary of the year, a rationale of the module sequence, and a standards alignment chart.

<sup>3</sup> According to CCSS, 1.MD.B calls for students to “tell and write time.” This is addressed in Module 5. In New York State, recognizing and identifying “coins, their names, and their values” was added to the standard and is addressed in Module 6. Check your state and local standards to determine whether money is an expectation for your students.
