

MCS D 2020-2021 MATH BENCHMARKS

Revised October 2020

Math Benchmarks will be given in Illuminate.

The () is indicated when an essential standard is not assessed in its entirety & may be assessed again later.*

Additional time has been added to the pacing calendar for each Eureka Math module to embed pre-requisite skills needed to access grade level math content. Module pre-assessments (Equip) given before teaching a module, and data from daily Exit Tickets during each module will identify the math concepts that should be "sprinkled" into daily lessons. Students who are not proficient on the Benchmark Assessment should immediately be placed in a targeted Tier II intervention.
